Dr. Dave,

Just wanted to express how thankful my family and I are for having chosen you as my doctor.

Each and every appointment I had with you always made me at ease. You assured me the confidence I needed to go ahead with surgery. The time you spent with me during each visit to make sure all my questions and concerns were answered were appreciated.

Without Joan's help I don't think we would have been able to do the surgery in such a short time frame. Joan is the best! She is so caring and knowledgeable.

My family was so impressed the day of surgery how you kept them updated and worry free.

I knew from the first appointment that I was in good hands!

You're the BEST Dr. Dave!
